Task Force Purpose Statement

To guide the development of an update— extending to the year 2030— of the Growth Management element of the County's Comprehensive Plan by leading:

- ***the public participation process.***
This process may consist of special events, meetings, workshops, forums, field trips, a planning charrette, and surveys.
- ***the development of scenarios, options, strategies and policies to manage growth and change.***
This program will address urban and rural issues including infill, redevelopment, revitalization, sustainability, and preservation.
- ***the development of a "Smart Growth Tool Box,"***
This "tool box" will highlight local examples and include planning tools provided for in the Municipalities Planning Code.
- ***the completion of a draft Document.***
This will entail completion of a draft document for public review, adoption and implementation.
